

**First Transnational Project Meeting in Italy
“Put Yourself in a Refugee’s Shoes”
16th - 20th November 2016**

Workshop 1.

- 1. Choice of the project logo – partners will send until 10th of December their suggestions; students will choose the final one until 16th of December. All partners.**
- 2. Project website – Romanian partner will create it. All partners will send one’s part.**

Workshop 2.

- 1. To create some questionnaires for immigrants in order to be aware of their actual situation in every partner country. Italian partner will create it and send it to all partners. All partners will implement it and present the results during the next meeting.**
- 2. The coordinator presents to the partners the results of the questionnaires about stereotypes and discriminations that the Italian students have done. The same questionnaires will be submitted to the students of the partner schools.**

Workshop 3.

1. Decide the activities for the meeting in February

Plan of the next meeting – in Portugal, from 19th to 25th February 2017 (traveling on 19th and 25th, working from 20th to 24th).

Second meeting also decided – Romania, from 11th to 17th May 2017 (traveling on 11th and 17th, working from 12th to 16th).

The topic of the next meeting is: Recognize immigrants

Before the meeting students will do some researches about forced immigrants, causes and effects, tragedies and results.

- **Students will search information on newspapers, tv programs, internet and so on...**
- **They will study all together and produce presentation of the final products for seminars inside their schools, at conferences for a local community.**
- **They will present their products in English at the meeting.**

During the meeting the students will participate in the activities organized by the host school and prepare a magazine, in mixed nations groups and in English language, that contains the researches and all the information. The magazine will be translated in five languages.

The magazine: to create the first page and the title
